

3 DECEMBER 2015 GOING DIGITAL

FREE workshop for businesses

Are you confused by the digital technology available to your business? Do you want to know more about cloud storage, mobile websites, paperless offices and their benefits? Then let Martin Danner from Aerorock explain about smart IT, and help you develop a tech strategy and action plan tailored to your business needs. All industries and business sizes welcome.

**Sessions available:
2pm-4pm & 5-7pm**
